Hopes are crushed and hearts are bleeding

Drear the fireside now and alone
She, the best loved and dearest
Far away to heaven has flown.

Long, long will we miss you Jennie
Long, long days for you we'll weep,
And through many nights of sorrow
Memory will her vigils keep.

Letter to William D. Bream.

Dear Sir: A man fed his hens half meal and half sawdust: he thought they wouldn't know the difference. He concluded they did when the eggs hatched woodpeckers.

Another man painted his house with a paint that was made of half paint substitutes. He didn't know the difference—not till he paid the painter.

He had 20 gallons to pay for, 20 instead of 10. Got fooled \$12.50 on the paint.

He had 20 days wages to pay for, 20 instead of 10. Fooled \$30 in wages. He got a poor job besides. He paid too much for his eggs, and they hatched woodpeckers.

Yours truly

Home Made Catarrh Cure.

Any one can mix right at home the best remedy of its kind known. The name "Cyclone" is given to the following prescription, it is supposed because of its promptness in driving from the blood and system every vestige of catarrhal poison, relieving this foul and dread disease, no matter where located. To prepare the mixture: Get from any good pharmacy one-half ounce Fluid Extract Dandelion, one ounce Compound Kargon and three ounces Compound Syrup Sarsaparilla. Shake well and use in teaspoonful doses after each meal and at bedtime.

This is a harmless, inexpensive mixture, which has a peculiar action upon the eliminative tissues of the kidneys, assisting them to filter and strain from the blood and system all catarrhal poisons, which if not eradicated, are absorbed by the mucous membrane, and an open sore or catarrh is the result.

Prepare some and try it, as it is the prescription of an eminent catarrh specialist of national reputation.

Challenge From L. M. Buehler.

L. M. Buehler is seeking the worst case of dyspepsia or constipation in Gettysburg or vicinity to test Dr. Howard's new specific for the cure of those diseases.

So confident is he that this remarkable medicine will effect a lasting cure in a short time that he offers to refund the money should it not be successful.

In order to secure the quickest possible introduction L. M. Buehler will sell a regular fifty cent package of this medicine at half price, 25 cents.

This specific of Dr. Howard's will cure sick headache, dizzy feelings, constipation, dyspepsia, and all forms of malaria and liver trouble. It does not simply give relief for a time; it makes permanent and complete cures.

It will regulate the bowels, tone up the whole intestinal tract, give you an appetite, make food taste good and digest well, and increase vigor. Joy and happiness will take the place of that "don't care whether I live or die" feeling.

Take advantage of L. M. Buehler's challenge, and secure a bottle of Dr. Howard's specific at half price, with his personal guarantee to refund your money if it does not help you.

Confederate Memorial Tablets.

Work will be begun very shortly by C. Wm. Ziegler of this place on two stones in the Lincoln tower of the Memorial Church of the Prince of Peace, which have been subscribed for by members of the Confederate Camp at Richmond, Va. One will bear the following inscription, viz:

"George E. Pickett Camp, C. V., Richmond, Va.

In Memory of Comrades of Pickett's Division Who Fell in the Charge at Gettysburg on July 3, 1863."

The other stone will read:

"Capt. J. Thompson Brown, Parker Battery, Alexander's Battalion Longstreet's Corps.

C. S. A. A. N. Va.

This latter stone is Capt. Brown's personal gift, as he is still very much alive, and a member of Pickett's Camp, Col. Miles Cary, commanding. As this church was built as a thank offering to God for the restoration of peace to our beloved country it is very proper and most acceptable to the vestry that gallant soldiers of both North and South should have their endearing memorials on its solid walls. The time, we think, will soon come when General Robert E. Lee will have his memorial in the tower, along with General George Gordon Meade.

A third stone has been subscribed for by the family of a Federal officer, who was also in the Gettysburg fight and will bear the inscription:

"John Campbell Chittenden, Capt. Co. D, 95th Ohio V. I. 1835-1866."

Invigorate the Digestion.

To invigorate the digestion and stimulate the torpid liver and bowels there's nothing so good as that old family remedy, Brandreth's Pills, which has been in use for over a century. They cleanse the blood and impart new vigor to the body. One or two every night for a week will usually be all that is required. For Constipation or Dyspepsia, one or two taken every night will in a short time afford great relief.

Brandreth's Pills are the same fine laxative tonic pill your grandparents used and being purely vegetable are adapted to every system.

Sold in every drug and medicine store, either plain or sugar coated.

DOINGS IN DOMAIN OF LAW

THE EYLER MURDER CASE TO BE HEARD IN SUPREME COURT MARCH 18.

The Dr. White Wul Case to be Heard by Supreme Court and a Third Case by Superior Court.

The return day in the Supreme Court of Pennsylvania for Adams County cases 8 March 4 and the return day in the Superior Court is March 11. There will be cases in both courts from the county.

The case in which the most interest is centered is the murder case, Com. vs. William Eyler. It will not be heard on March 4, but the Supreme court has arranged a special hearing of the case on Monday March 18 at Philadelphia. William Hersh Esq., Attorney for prisoner made a petition to court to be allowed additional time and hearing was fixed for March 18 and it was also asked that by reason of the poverty of the prisoner the type written copy of the record be allowed to be submitted to the court, which was agreed to. The entire case of the prisoner will probably be submitted to the Supreme Court in the same form. This condition may result in the printing of the record by the District Attorney so that the Supreme Court may have the case in book form for examination of the entire trial of the case.

The outcome of this appeal is not looked upon by the legal profession here as a hopeful one for the prisoner. Judge's scope tried the case with great care and nearly all of his decisions on legal points were in favor of the prisoner, guarding against any ruling to which exception might be taken to be afterwards ruled upon by an Appellate Court. The exception being pressed most strenuously by counsel for prisoner is the admission of testimony of an expression whether prisoner was drunk or sober. It is contended for the prisoner that witnesses so expressing themselves should lay a basis before being allowed to express an opinion while the Commonwealth insists that drunkenness is such a visible condition, about which an opinion can be given without any basis or knowledge of the person. It is said there are no cases in the Supreme Court of this state directly on this point, and the decisions in other states are in favor of the contention of the Commonwealth.

Another case to go to the Supreme Court is the will contest in the estate of Dr. David Mc C. White of Hampton. The will in favor of wife was attacked by the children of first wife on ground of undue influence. The court here decided that upon the evidence submitted there was no case to submit to jury and will must stand. The appeal to be heard is from this decision of court.

The case to go to the Superior Court is the ejectment case over a property in York Springs. One Thomas D. Reed died owning the property. The property went according to a will that was probated and the heirs claim the property should have gone to them as the paper probated was no will. The paper was not signed. It was prepared for testator to sign but he died before he could sign it but it was read to him and he declared it all right and it was afterwards probated as a nuncupative will. The Court here sustained the will and question for review is the will and effect of a probate more than five years old.

LEGISLATIVE LABORS.

The Democrats in the Legislature are complaining that the honors are being piled upon them by Republicans. They allege that every bill of merit introduced by a Democrat has been followed soon after by a similar bill from some Republican who was not adverse to piling honor justly due a Democrat. In doing this the Republicans are in error, with claim credit for any reason, legislation which happens to be put through in spite of the fact that Democrats joined attention to same.

Mr. Blakes of Democrat of Carbon, offered a bill providing for the publication of all tax assessments on all property of business, and the bill was put to sleep in committee. The measure has aroused wide spread interest and letters have been pouring into Harrisburg from every section of the State commending and urging the passage of bill. It is now intimated that it is probable some Republican will present a similar bill and the demand may be so strong as to compel favorable action.

The two cent passenger rate bill was passed finally in the House last week and sent to the Senate and when it was under consideration Mr. Blakeslee created much laughter over it by declaring that the Republicans were anxious to pass it so as to influence the Spring Election in Philadelphia.

A bill to repeal the Pennypacker press muzzle bill was favorably reported to the House last week and passed first reading, and no doubt is entertained of its final passage.

A bill has finally passed the House providing that the maximum weight of loads which may be carried over township bridges shall be 16,000 lbs. This would prevent the larger traction engines from using township bridges in any part of the State to the joint injury of farmers and threshers, and it is said there will be an effort to prevent bill from passing Senate.

A bill creating interest all over the State is the one providing for local option, giving each county the right once in every three years at the regular spring election to determine whether the sale, gift or delivery of intoxicating liquors shall be prohibited. Petitions are being circulated in all parts of the State in favor of the bill or otherwise and the representatives at Harrisburg will be deluged with all kinds of communications before final action is reached on bill.

A bill was favorably reported to House last week for an annual State Fair near Harrisburg. The bill carries an appropriation of \$200,000 to provide principally for an exhibition for farmers, fruit growers, cattle raisers and others engaged in agricultural and kindred pursuits. It is said horse racing and take side shows are not to be countenanced.

There is talk of some legislator having a bill up his sleeve to compel railroad companies to issue free passes to legislators. The bill is said to be modeled after one in force in New Jersey. We trust this talk is all talk or that if such a bill is presented there will be manhood enough in the Legislature to kill it.

A joint resolution has been offered to amend the Constitution so as to permit a bond issue of \$25,000,000 for the improvement of roads. While such a bond issue is being considered liberal appropriations will be made toward roads it is said.

Almost Frozen to Death.

Daniel Martin, a well known resident of Fountsindale during the extreme cold weather of last week started to go to his home from a distant point on horseback. He became so cold that he fell from his horse and lay in the snow for several hours. He was saved from freezing to death by the timely appearance of William Monn, who put him in his wagon and took him to his home, where he was put to bed and restored to consciousness. He was so stiff from cold when found his legs would not bend. He is 65 yr. old and is slowly recovering from his long sleep in the snow.

The Head in Tree.

George W. Woodward while sawing wood for the lumber firm of Tate & Cole, operating in the "Narrows" above Arendtsville, made a most original find. He had a log on the sawing table and had removed several slabs from log to find it faulty and to find in the tree the features of a man's head in every detail. In speaking with Mr. Cole over the find he said every feature of the face was preserved in minutest detail, eyes, nose, ears, hair and lines of face. To the question whether it was a petrified human head he expressed doubt about the head being stone. In his judgment the substance of the head was wood. Dr. Geo. F. Tate has taken the remarkable formation to his home in Altoona, and believes the find is one of great value. The explanations for the formation are numerous. It is supposed by some to have some connection with Lewis, the robber, as near the locality in which he operated. Others think it tells of a murder, and head was placed in a fork of a tree and petrified. But the head was not found at any forking but in the trunk of the tree. Then the fact that the substance is wood would seem to knock out the idea of petrification.

The explanation may be some photographic process of nature, and whatever the explanation may be, the formation is most remarkable and interesting.

FUR SALE

Furs at Sacrifice Prices in the Midst of the Wearing Season

Owing to much larger purchases than usual during the season, and a warm December, our inventory discloses the fact that we still have a Fur stock of about Nine Hundred Dollars, at retail, which, rather than carry over, we will sell now at a loss. It is much easier for you to care for one piece than for us to care for one hundred pieces, and to buy now is an investment that will pay better interest than bank stocks.

As there is only one or two pieces of any one shape or kind, it is useless to give description in this Ad. The stock comprises single Neck Pieces, in all the new shapes, single Muffs and Sets, of Squirrel, Brown Lynx, Blue Wolf, Blended Martin, Jap Mink, White Fox, Isabella Fox, Canada Marten and others. We mention this to show that the assortment is still general as to shapes and kinds of furs.

Seldom is an opportunity given so near home where the choosing is so great.

It's a pleasure to tell our readers about a Cough Cure like Dr. Shoop's. For years Dr. Shoop has fought against the use of Opium, Chloroform, or other unsafe ingredients commonly found in cough remedies. Dr. Shoop, it seems, has welcomed the Pure Food and Drug Law recently enacted, for he has worked along similar lines many years. For nearly 20 years Dr. Shoop's Cough Cure containers have had a warning printed on them against Opium and other narcotic poisons. He has thus made it possible for mothers to protect their children by simply insisting on having Dr. Shoop's Cough Cure. Sold by People's Drug Store.

Pain in the head—pain anywhere, has its cause. Pain is constipation, pain is blood pressure—gathering, usually. At least, so says Dr. Shoop, and to prove it he has a little pink tablet, that he calls Dr. Shoop's Headache Tablets. These blood pressure away from pain centers, thus relieving, pleasantly, the blood circulation. If you have a headache, it's blood pressure. But it's painful periods with women, same cause. If you are sleepless, restless, nervous, it's blood pressure. Dr. Shoop's Headache Tablets, in 20 minutes, and the tablets simply distribute the accumulated blood pressure. Hence your finger, and doesn't it get red, and swell, and pain you? Of course it does, it's congestion, blood pressure. You'll find it where pain is always. It's simply Common Sense. We sell at 25 cents, and cheerfully recommend.

GUARANTEED REMEDY FOR INDIGESTION.
Interesting Statement by The People's Drug Store.
When a man comes into this store and calls for any particular indigestion remedy, we always give him what he asks for, but in case he leaves it to us we usually recommend Pepsikola tablets.

Here is a preparation we have been selling right over the counter for years, and from actual observation we know it must do good, and really does cure indigestion and dyspepsia or there would be a steady stream of people coming back for their money, as every 25 cent box is sold with the understanding that you must be decidedly benefited or there is nothing to pay.

You simply try Pepsikola tablets with the understanding that they will steady your nerves, improve your appetite, relieve wind belching, coated tongue, sour stomach, fullness after eating, weakened energy, and other symptoms of indigestion or The People's Drug Store are ready at any time to pay back your money without the least argument.
